FEATURED LISTING

CASA DE LA LUZ | 148 NW 97th Street, Miami Shores

Come see the light in this nicely updated 3bed/2bath mid-century modern delight with Mediterranean Revival flair. Enjoy bright spacious living with welcoming fireplace that opens to large media room with wall-to-wall windows overlooking the rear gardens with lush mature trees and a towering Banyan. Everyone's a chef in the ultra-sleek Arclinea Italian kitchen perfectly flowing to the spacious, radiant dining room. Split bedrooms for extra privacy, and a dreamy master suite retreat with vaulted ceilings, double vanity and huge walk-in shower. Great updates: impact windows and doors, new designer kitchen, modern baths, updated plumbing and electric.

Last month we mistakenly omitted crediting GG Salon and Spa for the amazing hair and makeup cover look for Angie Dorney. Egret regrets the error.

President's Message

Neil Kodsi, President,
 Greater Miami Shores Chamber of Commerce

June was a very busy month for your Greater Miami Shores Chamber of Commerce.

On June 17th, we held TWO events for Chamber members. First, we started the day off at 7:30 a.m. with our second Women in Business (WIB) networking event. We held this event at Tinta Y Café, where attendees were treated to a fantastic breakfast and an inspirational presentation from Tinta Y Café owner, Neli A. Santamarina, about her background as a businesswoman in South Florida.

Then at 6 p.m. that evening, we co-sponsored Get Pickled with Pickle Ball with the Miami Shores chapter of the Prime Time Business Network. We held this Event at ADAPT in North Miami and it was a lot of fun for everyone involved. Even yours truly got out on the Pickle Ball Court for a few rallies. I tried my best to play the game as if I were Roger Federer, but unfortunately it was more akin to a Roger the Rabbit impersonation.

Also, by the time you are reading this, we will have held our annual Citizen of the Year Event on July 1st at the Citadel. This year, we honored Angie Dorney, who has tirelessly given so much to our Village over the years.

We plan to continue this trend in

July as we hold our next Women in Business event on July 22nd - location to be announced. Please check our website, www.MiamiShores.com, for details. We are also working with the Village on larger-scale events such as Green Day, which we are currently planning for late October. We hope to have a more formal announcement with the actual date and sponsorship opportunities in our August issue of the Egret.

For the remainder of 2021, and hopefully for the foreseeable future, we intend to hold at least one event for members every month. In fact, as we continue to create more groups within the Chamber, such as the Women in Business Group and the Shores Young Professionals Group, I am hopeful that there will be several months where we have two or more events. If you are interested in helping us accomplish this goal and would like to sponsor or host an event, please let us know. You can email me directly at Neil.Kodsi@MiamiShores.com.

Also, if you have any suggestions for programs or events or just want to make a suggestion about how the Chamber can do a better job of promoting business in the Greater Miami Shores area, let us know.

The Egret • July 2021 • Volume 64 • Number 7 • 9620 NE Second Avenue, Suite 201, Miami Shores, FL, 33138 • 305-754-5466 e-mail: chamberinfo@miamishores.com • www.miamishores.com • [facebook.com/MiamiShores](https://www.facebook.com/MiamiShores), The Greater Miami Shores Egret is the official publication of the Greater Miami Shores Chamber of Commerce, and is published monthly. 7,000 copies of the Egret are distributed

to homes, apartments, and businesses within the villages of Miami Shores, Biscayne Park and El Portal free of charge. AVIVA PILATES

Personalized Pilates

Small classes and personalized individual sessions are the specialty of AVIVA PILATES. New to the Shores, but not a new business, AVIVA PILATES celebrated its fourth year in business July 1st. Started in Edgewater in 2017, the studio moved to a larger space in Miami's Design District; however, as COVID changed everyone's lives, Aviva Abrams, the namesake owner and lead instructor, moved to the Shores and brought her business with her.

Aviva's fitness philosophy is "In a world where fitness programs are watered-down and packaged for mass consumption, AVIVA PILATES focuses on the art of the Pilates technique. We only offer private lessons and small group classes so that each client can receive individual attention. We also focus on the nuances and form that make Pilates such an effective workout for body and mind. Lastly, we take the time to evaluate each new client in order to custom-tailor their fitness routine."

Two words we used frequently in 2020 were 'flexibility' and 'pivot'. Both were adaptive to the very unusual COVID-related circumstances. In response to the pandemic, AVIVA PILATES offers in-studio, in-person-at-home and virtual private appointments.

A plethora of Pilates classes are offered, including:

1. Individual, Private Lessons—which can be conducted in-studio, in-home or virtually. The instructors take the time to understand each client's body and fitness goals.
2. Duet Lessons are recommended for friends or couples wanting to share the fitness/lifestyle experience together.
3. Private Group Classes require a minimum of 3, but not more than 5 participants. This small size allows for personalized attention

and a selection of Pilates Mat, Reformer, Barre, Ballet and Belly dancing.

4. Group Reformer Classes, achieve a total body workout emphasizing the core, back, glutes and thighs, known as the body's powerhouse. The goal of this workout is emphasizing flexibility and balance as well as focus, coordination, body awareness and postural alignment. This class

is the perfect, multi-disciplinary program for experienced Pilates' individuals. It incorporates the Pilates ring, small weights, bands, blocks and small balls into the routine. The ultimate goal is challenging the body in new and different ways and form improvement.

Specialized individual sessions and classes include:

- Mommy Tummy Rehab: both pre-and post-natal programming, specializing in Diastasis Recti rehabilitation.
 - Back Pain Relief: Pilates addresses the underlying, structural imbalances in the body; lack of core support; pelvic instability; muscular imbalances; poor posture and lack of body awareness.
 - Pilates for Golfers: Increase drive distance and improve form by increasing flexibility and strengthening the body's core.
 - Wellness Massage Therapy: Offering the Theragun™ for immediate muscle spasm treatment, as well as ongoing, weekly, therapeutic massage for maintenance and recovery.
 - YouTube Channel: Offers all levels of workouts for free. Programs include: Pilates fundamentals for beginner, intermediate and advanced workouts, including Pilates for stretching, Yoga and Barre.
- Meet the knowledgeable staff and instructors:
- Aviva Abrams, certified with both Stott Pilates and National Pilates Certification

program. She has 20-year's teaching experience and is also certified in Yoga, TRX, Barre and more. Her personal mission is a result of a near fatal car accident and her introduction to Pilates as part of her rehabilitation.

Stasia Bryant, a senior instructor, is certified with Stott Pilates and has been teaching for 13 years. She is experienced on all Pilates equipment. As a professional ballet dancer, she shares her passion of movement with her students.

Paola Estrada, a senior instructor with national certifications from Peak Pilates and Polestar. Paola brings her knowledge of fitness and nutrition along with her extensive Pilates background to our team. Additionally, she is qualified to teach classes in both Spanish and English.

Latoya Trotter, certified massage therapist for 14 years, she specializes in Swedish, deep-tissue, sports, injury recovery, trigger point and cupping techniques.

Visit the website for more complete programming information.

Our Wings of Hope

BOUND BY BEAUTY'S
Mary Benton

BY LIANGY CALLI

You may know her as “The Butterfly Lady” or “The Mother of Butterflies”, but our very own Miami Shores environmentalist’s name is Mary Benton. She is not only a beloved resident, but also the founder of Bound by Beauty, a non-profit organization passionate about butterflies, dedicated to transforming minds and educating neighbors on better practices, one garden at a time. Her passion to make change is infectious and her ability to connect people is an art.

After years of traveling abroad, Mary and her husband Doug fell in love with Miami Shores and sealed their fate when purchasing a beautiful, historically designated Spanish Revival home, recently awarded the “Historic House of the Month” by the Miami Shores Village Historic Preservation Board. They have lived in Miami Shores since 2013 and in that time Mary has met with countless members of the community - anyone willing to make change and save our pollinators. Shortly after they moved in, Mary was filled with wonder by the sight of a chrysalis, a tiny delicate green bundle with a strand of golden

stitching. It did not take very long for her to realize what her new mission would be. Her garden was completely transformed thereafter. Being an accomplished artist herself, she designed her garden to be magical and alive. Every plant in her garden has a purpose; you see, there is a science and methodology to attracting butterflies. You will often hear her say, “If I can do it, so can you” and it’s true, our Butterfly Lady makes it easy for us. Her passion, knowledge and commitment to the cause is hard to deny. It’s not just about the beauty of butterflies, although that is the hook, it is about our imperiled environment also. If you have met her, surely you have been invited to take the garden tour, if you have driven by, surely you have been tempted to take a peek inside.

**Connect, Educate,
Transform and
Replicate, this is the
motto that Bound By
Beauty members live by.**

With Mary at the helm, we are a growing organization of loving

BOUND BY BEAUTY

IN THE WORKS

neighbors that won't hesitate to run to your garden and give you a few pointers or better yet, some seeds, cuttings and plants. Since its formation in 2016, Bound by Beauty has grown and reached many devotees by way of projects like Network of Neighborhood Nurseries, the Foster Garden Program, Seeds2Share, The Rebel Botanist Gang, Greening South Florida, and currently by popular demand, working on a Community Compost concept. There are no missed opportunities and Mary recognizes that our best stewards for the cause are our children. By way of support from nonprofits such as the Miami Shores Community Alliance, Miami Shores Friendly Villagers or local business owners like Mima's Market, as well as support of family, friends and neighbors, Bound by

Beauty is able to open our children to the "nature under our noses". At times, we have partnered with Brockway Library, Barry University, Miami Shores Community Church, Miami Shores Presbyterian Church School, Miami Shores Elementary, and Doctors Charter either by establishing butterfly gardens, giving workshops or conducting host and nectar plant studies on their very own fields and swales. No one can resist "The Butterfly Lady" and the amount of knowledge she shares about the butterflies.

All of the programs are created to rally our community together as we face the realities of climate change. In time, Mary's vision is for Miami Shores to be recognized as one of the top cities in South Florida to forge a safe path for our pollinators, not only for the beauty, but for our future. Join us, it takes a village to maintain our "Village Beautiful" charm with its lush gardens and never-ending butterflies, bees, birds and wonder. For more information about Bound By Beauty programs and volunteer work please visit boundbybeauty.org

Bound by Beauty is currently working on establishing a Community Composting Program. This model mirrors established Community Composting concepts. The idea is to make use of as much food and yard waste available from the community in order to "green" our city. There are numerous benefits for our Miami Shores Village to undertake this valuable project, not to mention, it is an idea that has the support of many including local businesses. Engaging the community in eliminating waste and creating educational opportunities for all ages, offers direct benefits to the local natural environment, among them soil health and water quality.

This project is achievable and would divert organic waste away from polluting methods of waste haulage and disposal while saving MSV money and providing nutrient-rich soil for the residents and Village to use, thereby reducing or even eliminating the need for chemical fertilizers. The value of this project aligns perfectly with resiliency, sustainability, integrated pest management practices, and keeping it local. This is the ideal time to begin the process of community composting as it will take a little time to set up and get going safely during the pandemic, and then it can become fully operational after the pandemic subsides.

Experience isn't Expensive...It is Priceless!

TIP OF THE MONTH

When selling or buying a home, never try to time the market. The best time to sell or buy is when your needs have changed, and you are ready for the switch. Many sellers have refused good offers on their homes in a seller's market expecting to get a higher offer only to have regrets when the seller's market flips to a buyer's market and prices are falling. This transition can happen in a matter of weeks.

THE CUSHMAN SCHOOL

Just over a month ago, The Cushman School enjoyed its Class of 2021 Graduation ceremony at the Miami

Shores Theatre on Friday, May 28th. This talented, character-driven group of students achieved such success even during the disruptions of a global pandemic that dramatically affected the college application process with 100% acceptance rate to multiple colleges, and by earning nearly \$4.5 million in Merit Scholarships. Most indicative of the Cushman culture of education was each of their individual work through the High School's unique Society and Me (SAM) programming. This course challenged each of the 34 seniors to think critically about local and/or global issues and identify and initiate ways to make a positive impact in their community.

This past 2020-2021 school year, students partnered with the nonprofit Achieve Miami to donate hundreds of boxes of diapers, baby wipes, and formula to residents whose livelihoods were crippled by the pandemic. Additionally, they bought, cooked, and donated nearly a hundred pounds of food for those at the Miami Rescue Mission. They also lead more than a dozen beach and bay cleanups, partnering with multiple organizations over several months to create a culture of environmentalism in South Florida. Hats off to these Cushman students, now alumni, who put their ideas into action to benefit many in our community.

ST. ROSE OF LIMA CATHOLIC SCHOOL

Although the halls of St. Rose of Lima Catholic School may be quiet during July, the parish and school administration is working diligently with their dedicated office staff and maintenance team to prepare for the year ahead! New state-of-the-art interactive smartboards are being installed in every classroom to further enhance instruction. The Performing Arts Rehearsal Room, Science Lab, Da Vinci STEM Studio, Foreign Language Lab, Media Center and Art Studio are also being renovated as St. Rose looks forward to reopening these interactive learning spaces for August. To accommodate their remarkable increase in enrollment, a third Kindergarten classroom has been added.

News Alert Office of Communications	Miami-Dade County Public Schools <small>1450 N.E. 2nd Avenue, Miami, FL 33132 305-995-1825 • news@dadeschools.net</small>	
<p>FOR IMMEDIATE RELEASE Thursday, May 20, 2021</p> <p style="text-align: center;">School Board Awards Construction Contracts for Four GOB Projects Valued at \$22.5 Million</p> <p>At its regular monthly meeting, the Miami-Dade School Board awarded four construction contracts to complete General Obligation Bond (GOB) projects valued at approximately \$22.5 million. The projects will be undertaken at four elementary schools.</p> <p>Voters overwhelmingly approved the GOB in 2012 to renovate, remodel and replace schools; expand student capacity; enhance safety; and provide technology upgrades. The following are details of the projects:</p> <p>Miami Beach South Pointe Elementary – Florida Lemark Corporation was awarded the construction contract for the renovation/addition project at Miami Beach South Pointe Elementary. Built in 1991, the existing school has two permanent buildings and permanent capacity of 452 student stations.</p> <p>Upon completion, South Pointe will have a new one-story classroom building and 144 additional student stations. The project also includes fire alarm system replacement, HVAC upgrades, new ADA-compliant restrooms and drinking fountains, new flooring, and exterior painting.</p> <p style="display: flex; justify-content: space-between;"> Total project allocation - \$6.2 million Completion – August 2022 </p> <p>Total sub-consultant Small/ Micro Business Enterprise (S/MBE) participation: 23.57% Total sub-consultant Minority/Women Business Enterprise (M/WBE) participation: 4.50%</p> <p>Miami Shores Elementary – Thornton Construction Company, Inc. was awarded the construction contract for the Bond-funded renovations and classroom addition project at Miami Shores Elementary.</p> <p>Built in 1929 on a 4.8-acre parcel of land, the school currently has seven permanent buildings with 714 student stations. After completion of the project, the school will have a new five-classroom building addition with 116 additional student stations. The scope of work includes a new PE shelter, roof replacement of the media center, new Energy Management System, replacement of the drinking fountains and restrooms renovation, new park spaces and select interior paint.</p> <p style="display: flex; justify-content: space-between;"> Total project allocation - \$7.4 million Completion – December 2022 </p> <p>Total sub-consultant S/MBE participation: 17.55% Total sub-consultant M/WBE participation: 12.50%</p>		

The SRL faculty and staff have every intention to resume many of the programs that were recently paused due to COVID restrictions. Parents and students can expect the same level of health and safety precautions; however, St. Rose is hopeful that scheduling will be much more flexible and opportunities for in-person extracurricular activities will be available.

At this time, wait lists have been formed in multiple grade levels but don't let this news discourage you from applying! Registration details are available on the school's website www.srlschool.com or you are invited to reach out to their friendly office staff via phone 305-751-4257.

St. Rose of Lima Parish and School wishes everyone a healthy, joyful and peaceful summer!

Recreation Department

KID CARE VIRTUAL Learning Hub

2nd - 5th Grade

The Recreation Department will provide a virtual learning hub for your student to login and complete their online learning at the Community Center. MiFi enhanced Wi-Fi Service will be provided. There will be 6-8 students assigned by grade level & school per cohort group. Each cohort group will have an assigned Learning Resource Aide. The Aide will help students log on and get their daily assignments. We will provide outdoor play time depending on their school schedules. The Recreation Department will follow the CDC guidelines and suggested protocols.

Each student will be required to have

- Laptop & charger
- Headphones (w/ microphone encouraged)
- School Supplies
- 2 Face Covering
- Snacks
- Lunch—Bring your own lunch or purchase through the snack shack at SHORESNACKSHACK.COM

While the program will have many common classroom supplies, we encourage families to send students with their own supplies to limit sharing.

HURRY!
SPACE IS LIMITED
MSV Residents Only

August 31—October 2
No Class: 9/7
8:15 AM—3:15 PM

Village Spotlight *Out and about in our Villages...*

The Miami Shores Chamber of Commerce joined forces with the Miami Shores Chapter of the PrimeTime Business Network and ADAPT Gym in North Miami to hold a **Get Pickled With Pickle Ball** Networking Happy Hour. ADAPT's expansive facility welcomed everyone to enjoy this popular game, and PrimeTime provided the Happy Hour! Check miamishores.com for future networking events.

On Thursday, June 17th, the Chamber's **Women in Networking** group had a wonderful time at their networking breakfast at Tinta y Cafe. Co-owner, Neli Santamarina, gave an incredibly inspiring talk about women's entrepreneurship and overcoming obstacles. An enormous thank you to all who attended and to Tinta y Cafe for a memorable morning. Join us at next month's mixer on July 22nd for an **Evening of Informal Networking** at the Citadel Rooftop.

MICKAEL LANGRI
— REAL ESTATE —

EXPERIENCE | KNOWLEDGE | HIGHEST QUALITY SERVICE | STRONG NETWORK

My Google Reviews

Positive: Professionalism, Quality, Responsiveness, Value

Mickael is a rare find in this market as he has integrity. He is knowledgeable, rational, professional, quick, practical, very on the ball and most of all high integrity.

Positive: Professionalism, Quality, Responsiveness, Value

Mickael is an intuitive broker that understands not only the market, but also the prospective buyers. He knows how to get a home ready to meet the demands of buyers and extract the best price on could get.

Positive: Professionalism, Responsiveness

I would strongly recommend Michael, he is driven, very professional and more importantly will get the job done

These are EXTRAORDINARY times, and the real estate market is too! Below are some of the SOLD properties by Mickael Lancri, PA in the Miami Shores area only within the last few months. EXPERIENCE PAYS OFF AND THERE IS NO BETTER TIME TO SELL THAN NOW!
