March Madness is almost upon us—in more ways than one. While many of us will be focusing on our brackets, there are other distractions to enjoy –right here in the Greater Miami Shores area. On March 12th come enjoy the Chamber's first ever Pub Crawl- along NE 2nd Ave. Enjoy drinks and special treats at five of Downtown Miami Shore's favorite eateries and Chamber members... On March 13th Barry University will host its annual Golf Tournament— participating is a great way to support your home team! Want to show off your bling in March? Buy your tickets to The Crystal Ball, the Miami Shores Annual Mayor's Gala on March 14th, benefitting the Miami Shores Community Alliance. In the middle of

all of the madness, St. Rose students have set the goal of preparing more than 15,000 "Meals of Hope" for those in need at St. Martha's Food Bank. Contact St. Rose of Lima School to find out how you can help. March is also the time when you want to make sure you secured your tickets for the upcoming Greater Miami Shores Golf Tournament in honor of Ted Kretzschmar, one of greater Miami Shores' preeminent business leaders and a long-time Miami Shores resident. The Tournament is on April 24th, but early pricing ends March 15th! Whether its eating, dancing, golfing or giving back, hope to see you around our Greater Miami Shores businesses or organizations in March!

# HONOREE TED L. KRETZSCHMAR LIFETIME ACHIEVEMENT AWARD

Ted's both a successful business leader and role model. Throughout his business' development he inspired and nurtured new talent, encouraging their participation and ultimate succession of the business.

As a Metro Dade County Sheriff's Department Police Officer, Ted worked off duty at the Port of Miami. When the Port's management lamented one day, Ted told them he could take on the janitorial work with a staff, which led him to his first entrepreneurial venture, Kleen Masters. As a result, when an out of state company needed a licensed security company in Florida, Ted once again took advantage of an opportunity founding 50 State Security.

50 State Security was one of the largest private security guard companies in South Florida. The business provided security officers and security technology for both commercial and residential clients. It sold in 2016 and Ted triumphantly retired.

Throughout the years, 50 State grew as a result of referrals, the very best marketing method. His commitment to the Security Community was establishing the "Police Officer of the Month"

Recognition with awards both monthly and annually. His leadership extended into Miami Shores' community, bringing his strategic thinking to many boards including Barry University's Athletic Board, Doctors Charter School Board of Directors and Miami Shores Village Advisory Board of Miami Shores Country Club, President of Florida Youth Soccer Association, Lifetime member of Junior Chamber of Commerce, President of Miami Jaycees.

His love of sports and his children brought him to the Miami Shores Recreation's Playing fields coaching soccer, an emerging U.S. sport at the time. Ted traveled with Soccer teams to Tournaments in Mexico, Washington DC, Toronto Canada, Connecticut and New Orleans. Many times, he anonymously sponsored players so they were able to travel with their teams. Plus, a snippet of Sports Trivia, Ted founded TAG-WOL (Thursday Afternoon Golf Way of Life), an amicable group of 48 + golfers enjoying 30 years of the great outdoors with their own brand of golfing.

A philanthropist, Ted has always shared his success within the Community, sponsoring and supporting Barry University's annual golf tournament, and the

Founders Red, White and Black Ball and sponsored many student scholarships to Johnson & Wales University and was the title sponsor of Doctors Charter School's annual golf tournament for many years.

50 State and Ted were a long-time, Greater Miami Shores Chamber of Commerce member, actively supporting, participating and initiating programs, events and community involvement.

Join the community as the Chamber honors Ted's accomplishments and philanthropy, Friday April 24th, at the Annual Golf Tournament, Miami Shores Country Club and the Gala dinner that evening.

# Community News & Events

The Greater Miami Shores Chamber of Commerce welcomes its members to submit upcoming community events and news to [chamberinfo@miamishores.com](mailto:chamberinfo@miamishores.com)

On December 15, 2019, the **Heidi Hewes Chapter of the Woman's Cancer Association** of the University of Miami hosted its 28th annual Home for the Holidays Walk and Tour of Homes in Miami Shores. The 2019 Walk was our most successful event ever with an estimated 500 people touring five unique homes east of Biscayne Boulevard and enjoying a holiday market and celebration tent. We are proud to say that 100 percent of all proceeds from the Holiday Walk go to finding a cure for cancer!

Heidi Hewes members would like to thank our gracious homeowners who opened up their beautiful homes for the tour and for our generous sponsors who, year after year, support our fundraising efforts. We would also like to recognize the long time support

we receive from Miami Shores Village including the Police and the Recreation Department.

It was great to have our long-time supporters and many new faces come out for a

beautiful event to kick off the holidays. The Walk truly embodies all that is special about Miami Shores – great neighbors, a true sense of community, a strong showing of volunteers, all rallying to support fundraising efforts that support cancer research and

cancer education.

The 2020 Walk is scheduled for December 13, 2020 and will showcase homes west of Biscayne Boulevard. If you are interested in showcasing your home on the Walk, please contact [heidiheweswca@gmail.com](mailto:heidiheweswca@gmail.com) to let us know.

# SAVING LIVES TAKES HEART

Connie has baked thousands of cookies. A 1.5 inch incision unlocked the sweetest years of her life.

To learn more about our cardiac campaign, visit

[SOUTHFLORIDAHEARTS.COM](https://southfloridahearts.com)

Connie Morgan's favorite pastime was baking with her granddaughter. Afflicted by mitral valve prolapse, the constant fatigue and labored breathing gradually made it impossible for Connie to enjoy the activities she loved. Growing despondent, Connie knew something had to change. After a quick

consultation, she found out the answer was a minimally invasive transcatheter mitral valve replacement performed by HCA East Florida's leading cardiac team. With this second chance at life, Connie's time in the kitchen with her granddaughter felt sweeter than ever.

**Church School** (MSPC) is so proud of our students for raising funds to fight cancer! During our annual St. Jude Bike-A-Thon, every dollar raised went right to St. Jude.

With the help of our amazing teachers, students soared with our mid year testing results. We are soaring not only academically, but also in our community. Alongside the church, we provided canned food for the needy during our "Souper Bowl of Caring" (during the Super Bowl). In addition, our students helped create wooden toys and soft dolls for others.

Our signature "Night Under The Stars" event is coming up. A night of food, festivities, silent auction, dancing, libations and fun. Join us for this great evening on March 20th.

For more information about events or our wonderful school, dedicated, hardworking and talented staff, please contact us or visit our website at <http://www.mspsc.net/>

**Miami Shores Community Church School** (MSCCS) This month our kindergarten students participated in our annual Sweetheart Spelling Bee on February 14, 2020. It was one to remember, as the students stepped up to the challenge. Family and friends were very impressed with how well the students did and how much they learned in the process. In preparation for the next school year, MSCCS is proud to announce that we are now accepting VPK for the 2020-2021 school year. Space is limited so please reserve your seat by stopping by the school with your child's VPK certificate. We are also opening enrollment to the public for our elementary program as well. MSCCS will be offering multi-age classrooms for the 2020-2021 school year. In doing so we can cater to the individual child instead of the individual grade. It allows for more individualized instruction. If you would like more information about our program, please stop by or contact us at 305-757-5866. You can also visit us on Facebook or at [www.msccs.org](http://www.msccs.org).

**St. Rose of Lima Catholic School** students continue to reach new heights in many ways! Recently, a select number of SRL middle schoolers participated in the 48th Annual Sister John Norton Math & Science Bowl at St. Thomas Aquinas High School. Fourteen schools competed in the event and St. Rose brought home two 1st place and two 2nd place medals. Congratulations

to these very bright students!

Saint Rose of Lima is also proud to acknowledge their Science Club. The club competed in the Science Olympiad, hosted by the University of Miami, and won 2nd place overall! SRL received one 3rd place medal, nine 2nd place medals and five 1st place medals advancing the team to the state tournament! Congratulations to Ms. Mesidor, the Science Club Moderator, and her amazing Science Club members!

Aside from their numerous academic

accomplishments, SRL students are regularly recognized for their abilities outside the classroom. The Boys' Varsity Basketball Team came home victorious as they were crowned Division 3A Champions of the All Catholic Conference in their win against St. Timothy, 37-36! What a close game! Both teams played with great spirits and represented their schools very well.

2020-21 Registration is now open for new students; limited space is available. If you would like to learn more about St. Rose of Lima Catholic School, please call the school office at 305-751-4257
