# Down to Business

Check back monthly to see what's happening in local business news!

A casual, intimate gathering place, Flight Wine

What time do you want to meet at Flight? A common, casual invitation to Miami Shore's newest, hippest community gathering spot.

Flight Wine Lounge, open mere months, has become the 'go to' place for friends, neighbors, groups and clubs. Its owners, Kim Flower and Andy Wagner (familiar WLRN Brit), are heartened and gratified by the immediate response of Miami Shores residents and our surrounding villages.

Offering 50 wines from around the globe, the name 'Flight' derives from 3 sample-size glasses of wine: red, white, rose. Just say the word and for \$15 you can sample a curated flight Tuesdays -Thursdays – before you order your full glass or bottle. Wines are selected from boutiques, many using sustainable or organic practices. Sommelier, Liz Muller, is a part of the team. She can help you select an ideal wine to enhance your experience. All wines are also available for retail purchase.

Small plates and boards include: cheeses, charcuterie and ArtPie-organic, handmade savory pies. The ArtPie and artisanal baguette providers, Baguette Plus, were discovered at our own Miami Shores Farmer's Market, another plus for the village in recent years.

Many guests have stopped by on their way to the new, updated Cote Gourmet restaurant. As you wander up NE Second Avenue, Flight at 97th will serve your cheese and wine appetizer before your elegant dinner at 99th.

Then, saunter back to Flight for an after-dinner dessert wine!

Kim and Andy have also attained some authority in the wine department. Wine & Spirit Education Trust certified, they've achieved level 2 with distinction. Part of their responsibilities as owners, is traveling and sampling the wines they'll be serving. Do we sympathize? Not a bit!

South Florida craft beers and English, organic ales, plus craft sodas are also palate pleasers. A great beer with a charcuterie board is a must!

It's just too much fun! Kim and Andy are rewarded by your 'buzzy' conversations. Most nights no one's on their phones, imagine that! Neighbors from the same street have met at the bar, in the front lounge and around a cozy tree lounge at the back of the house.

On the horizon, wine-tastings and pop-up chef nights. One-hour wine tastings will feature in-house sommelier Liz or boutique winery

representatives. The first pop-up night will feature, Chef Lucio Bueno, for Spanish Night and Flight will select the wine pairings. Look for announcements throughout the year.

Flight Wine Lounge is an active member of the Chamber of Commerce and a founding member of The Downtown Merchants Collective.

Stop by, Sip and Savor, Tuesdays through Thursdays 5-10PM; Fridays and Saturdays, 5-11PM.

Flight Wine Lounge, 9711 NE 2nd Ave., 305- 392-1277; flightwinelounge.com.

Find Flight on both Facebook and Instagram, too.

# Tips to Selling Your Home

Tip 2: When getting your home ready to sell, sprucing up your home's landscaping is an inexpensive way to add curb appeal. Remember when interviewing landscapers, do not ask them what the new landscaping will cost. You always give the landscaper your budget. A good landscaper will do a wonderful job adjusting to your budget.

## THE CUSHMAN SCHOOL

Cushman's administration consistently evaluates marketplace trends, educational data and brain research to ensure its programming remains relevant and age-appropriate amid constant change. In support of this aim, the school's executive team recently read the book *When* by Daniel Pink, which described the importance of timing and understanding circadian rhythm as it impacts performance, schooling and critical thinking. The information presented clearly explained why many individuals experience afternoon lulls and peak focus times and why students may be more apt to learning at certain times of the day. Cushman educators are putting this compelling evidence into play for their curriculum planning; and, in the future, may even adjust the start time of Cushman's new high school division to better complement the teenage brain. You can learn more about Cushman High School's

progressive programming at the upcoming High School Open House on Oct. 18th, visit: [www.cushmanschool.org](http://www.cushmanschool.org).

## MIAMI COUNTRY DAY SCHOOL

welcomed students back to school during the week of August 20th. Students posed for pictures in the "Instagram Frame" and wrote down a word/phrase explaining what Miami Country Day means to them. "Passion," "Home," "Family," were just a few of the words our students and faculty shared. Once again, welcome back to school and best of luck this school year! Save the Date for the Upper School Theater for School Change Fall production of *Rent the Musical* School Edition, November 7-9 at 7pm in the John Davies Theater in the school's Center for the Arts.

## MIAMI SHORES PRESBYTERIAN

Church School (MSPCS) believes in educating the whole child. Academic achievement is inextricably intertwined with growth in social and emotional learning. As an important part

of their social and emotional learning (SEL) framework, MSPCS has established a school theme for the 2018-2019 academic year: *Moving Forward - Onward and Upward*. The theme centers around the premise of 'Pay It Forward' - the philosophy that through acts of kindness, we all foster a more caring society. Each month, a significant topic is chosen to spotlight a specific way in which to pay it forward. The topic for September is Friendship. Exemplars are highlighted at the weekly school-wide Town Hall gatherings.

As a supplement to this theme, MSPCS has a new blog, *Making Waves*. *Making Waves* is an online resource for parents, teachers, and students to help support the whole child approach to education. *Making Waves* will provide information and insights with the goal of helping to inspire, influence, and embolden each of us. ## ST. ROSE OF LIMA

In a world where the fine arts are often cutback from schools, St. Rose of Lima is doing just the opposite! Beginning this month, St. Rose of Lima Catholic School is partnering with Paul Effman Music to offer an instrumental program for students in grades 1-8. The children have been invited to select among a wide-range of instruments including the violin, flute, clarinet, saxophone, trumpet, drums, and more. This exciting new program will allow the students of St. Rose of Lima to further explore their personal interests and talents.

In addition to the school band, SRL is expanding the middle school drama program. Students will be given opportunities to perform on stage before a live audience, design sets, help as a stagehand, or be a producer! Collaborative by nature, drama accentuates social and cultural awareness, speaking, team building and project management skills. St. Rose of Lima's emphasis on creativity and fine arts allows students to enjoy a balance between academic rigor and creative imaginative learning.

Stay tuned for a performance near you!

El Portal  
\$985,000**

All three of our Villages...Miami Shores, Biscayne Park and El Portal feature vintage two story homes built in the 1920's and 1930's, prior to the Villages being incorporated. These jewels are considered "Collector's Items" since they represent approximately 10% of our total number of homes, with only a handful for sale on the market at any given time. It is a rarity to find a home where the architectural Art Deco 1939 details have been preserved both outside as well as inside, while tastefully updating modern conveniences fitting within the character of the home. This "Spectacular Jewel" located at 301 NE 88 St., is in the heart of El Portal Village boasts this and more! A stunning front garden on a corner lot welcomes guests with a grand 'horse shoe' shaped front entrance. Coral rock stone steps welcome visitors, located on a large corner lot. Inside features include original wide tray ceilings, fireplace and gleaming hard wood floors. Rooms are bathed in natural light and the downstairs home office overlooks the swimming pool area, outdoor dining, full detached guest house, two car garage, and expansive grounds covering over 14,000 square feet. Two upstairs master suites look over the estate, with upstairs covered balcony. This home is noteworthy and a prize to own.

The company has created "world dance summer" an intensive student, summer program offering 99% of the students' full scholarships. The summer program has a strong, ethnic component.

2020 will celebrate Dance Now Miami's twentieth year, brought to life by the clamoring of Miami dancers, all meeting and dancing with the Performing Arts Network, PAN, back in the 1990's. Hannah and Diego were just two of those dancers, looking for a new home and free expressions. Along the way, internationally recognized and Miami famous dance and music impresario Daniel Lewis became one of the duo's mentor and, also coach to the company's dancers. Mr. Lewis was the founding dean of dance at Miami's acclaimed, New World School of the Arts.

DNM performs at the Colony Theater in Miami Beach with an annual, December program and also has performances at the Alper JCC and North Beach Bandshell. Ekphrasis, in the Garden, is a site-specific annual event at Miami Beach Botanical Garden. ## COMPREHENSIVE STROKE CENTER

at North Shore Medical Center

### A Higher Level of Stroke Care

With some of the latest technology in healthcare, we have *redesigned* North Shore Medical Center to provide a higher level of care with confidence. Part of the redesign includes our commitment to constantly improve the medical care and services we provide to our community.

#### WHAT DOES A COMPREHENSIVE STROKE CENTER MEAN FOR OUR COMMUNITY?

By becoming a Comprehensive Stroke Center, North Shore Medical Center will now be able to provide advanced stroke treatment without having to transport the patient outside of the area. Approximately 1.9 million neurons die each minute when stroke is left untreated. Time is critical when someone is having a stroke, and faster treatment may result in less brain cell loss for a better recovery and less disability.

At North Shore Medical Center,  
your health is our priority.
